New Wood Finishes Available for Armstrong WoodWorks® and MetalWorks™ Ceilings

*New Walnut Espresso and Oak finishes can be coordinated
across both product lines*

LANCASTER, PA — Armstrong® Ceiling & Wall Systems has expanded the number of standard wood finishes it offers in its WoodWorks® and MetalWorks™ product lines, providing architects and designers with a wider selection of wood visuals for their ceiling projects.

Four new wood veneer finishes are now available in WoodWorks Tegular, Vector®, and Concealed Suspension Ceiling Systems, and in WoodWorks Linear Planks and Veneered Panels. Included are three new Natural Variations™ finishes in Walnut, Walnut Espresso, and Oak; and one new Constants™ finish in Redux Wood Wheat.

Two new Effects™ Wood Looks finishes are available in MetalWorks Tegular, Vector, and Linear Ceiling Systems for

interior applications, including Oak and Walnut Espresso. The two new Effects™ finishes are also available in MetalWorks Vector and Linear Ceiling Systems for exterior applications.

Coordinating Wood Veneer and Wood-look Visuals

With the addition of the new wood veneer and wood-look finishes, specifiers now have more options for coordinating wood visuals across the two product lines, giving them greater flexibility when designing adjacent spaces with different performance requirements.

In addition to the four new veneer finishes, WoodWorks Tegular, Vector, Concealed, Linear Planks, and Veneered Panels are also available in Natural Variations Beech, Maple, Light Cherry, and Dark Cherry; Constants Maple, Walnut, and Cherry; and Bamboo Native and Patina.

Along with the two new wood-look finishes, MetalWorks Tegular, Vector, and Linear are also available in Effects Cherry, Dark Cherry, Maple, and Walnut for interior applications. These finishes are also available on MetalWorks Vector and Linear for exterior applications. MetalWorks Torsion Spring offers an array of wood looks in laminate finishes.

One-of-a-kind finishes are also available in WoodWorks items, providing an unlimited number of wood visuals to accommodate any design and performance criteria.

For more information about WoodWorks, visit armstrong.com/woodworks. For more information about MetalWorks, visit armstrong.com/metalworks. You can also call a U.S.-based TechLineSM expert at 1-877-276-7876, press 1.

Armstrong World Industries is a global leader in the design and manufacture of ceilings and floors. In 2014, Armstrong consolidated net sales from continuing operations totaled approximately \$2.5 billion. Based in Lancaster, PA, Armstrong operates 31 plants in eight countries and has approximately 7,400 employees worldwide.
